Windyrush News

What a summer we have had so far at Windyrush! We hope that everyone has enjoyed their time at the pool and on the courts. Please continue to enjoy the facilities for the rest of the season! Susan has planned some fabulous end-of-summer socials, so take a look at the calendar and take advantage of these opportunities.

In looking back over the 2011 summer events, we have had a busy season. The swim & dive teams were well coached and had a successful, fun summer. Congratulations, Windyrush Dolphins, and many thanks to everyone who worked so diligently to make the season such a success! In July we also supported the 1st Annual Firecracker 5K, and it was a great event. We hope to take part in this again next summer, and we would like to encourage everyone to support this event in July 2012. We also had another great Independence Day celebration at the club, complete with great food and games for the entire family.

The tennis pavilion has also been completed this summer. It looks great and has already been a beautiful addition to the club! Please mark your calendars and plan to join us for the Member/Guest Tennis tournament on August 27th. This will be a wonderful opportunity to introduce friends, neighbors, and family members to our facilities. More details about this event will follow. Information about the tennis program can be found on pages 6 & 7 of this newsletter.

This fall the board will continue to work on all the details necessary for starting the next phase of our building project. We will need to continue to grow as a club, so please tell your friends and neighbors about Windyrush and continue to invite them to the club! This is an exciting time!

Please enjoy the rest of your summer at the pool and on the courts!
