### Vice - President

Ed Reismeyer-Vice President

My name is Ed Reismeyer and I have been a member of Windyrush for almost 10 years. I am married to Trisha, and we have 4 boys, Nicholas, Patrick, Charlie and Jack. During that time I have been on various tennis teams and committees, and my boys have been on the swim team for a number of years. I have been very active over the last two years working with the board updating the infrastructure of the club and working to improve the overall appearance and functionality of the club. Most recently I have been on the Building Committee, and I have been tasked with presenting plans for a new and greatly improved Windyrush club facility for the future.

When I am not at Windyrush or working on a Windyrush project, I stay busy as the co-owner of a custom home building and remodeling company. I look forward to a more active role as a board member for the upcoming year as the Board Vice President.

## Assistant Treasurer

Andrea Romines-Assistant Treasurer

Andrea Romines was raised in Michigan with her younger brother Matthew. As children, Matt and Andi (as they are known to family) were always told by their parents to move to North Carolina because that is where they wanted to retire. So, in January 2006, Andrea, her husband Charlie, and their two daughters, Makena and Ashley, moved to Charlotte, North Carolina. The family immediately became acquainted with Windyrush and choose to spend their first hot summer cooling off in the pool. Andrea has served on the board as the Assistant Treasurer for several years.

Andrea feels fortunate to have spent the last seven years caring for her two girls. Makena is a third grader at Olde Providence Elementary and Ashley is a kindergartner. With the kids mostly out of the house, she has taken on part-time work babysitting.

In her spare time Andrea loves to run, watch movies, eat ice cream, attend or host community barbeques, and spend time with family!

Being part of Windyrush has been a huge blessing to the whole family through tennis lessons, tennis clinics, swim team, the playground, and social events. The nature trails have also provided great adventures through the discovery of turtles, snakes, deer, and other animal tracks!

Catie grew up in Augusta, Georgia, and married her high school sweetheart, Kenneth Jackson. She has a Bachelor of Music degree from the Peabody Conservatory, a Masters in Music from the University of South Carolina, and a Doctorate of Musical Arts from the University of Iowa. In March of 2006 Catie began her role as secretary of the Windyrush Board, and during her time at the club the playground has been replaced, the grounds have been improved, and the process of rebuilding the clubhouse began. It has been an exciting time, and Catie is willing and ready to continue her service to Windyrush for another year.
